## Paella — A Spanish Classic

Paella is at the heart of Spanish communal dining — a dish meant to be shared, savoured, and enjoyed together. We offer a carefully curated variety of paellas, each prepared using traditional Spanish methods and saffron-infused rice, allowing the flavours to develop slowly and authentically.

## Our Paella Selection

Our selection ranges from classic seafood paellas to distinctive creations inspired by local ingredients, offering something for every palate. Cooked to order and served straight from the pan, each paella is designed to be placed at the centre of the table and shared in true Spanish style.

## A Celebration of Flavour

Paella is not rushed. The preparation time allows the rice to absorb the richness of the stock, spices, and ingredients, creating depth, warmth, and balance in every bite. We invite you to relax, enjoy a drink, and take in the experience while your paella is prepared.

Perfect for long lunches, celebratory dinners, or simply gathering with friends, our paellas bring people together over flavour, tradition, and the joy of shared dining.
